

HL HUNLEY ENRICHMENT PROGRAM

High School Level Hunley History Classroom Games

Trivia Pursuit Rules

1. The students are split into teams and each team is given a color to move around the board.
2. The teams decide who will go first.
3. The first team rolls the dice and moves their color that many spaces around the board.
Once the land on a square they are asked a question of the category that corresponds to the color they landed on.
GREEN= GEOGRAPHY YELLOW=HISTORY RED=CURRENT EVENTS
BLUE= ENGINEERING
4. If the team says the right answer they get that color token to put on their side and to roll again, if they say the wrong answer the dice are then given to the next team to go.
5. Whichever team is able to fill up their section with three tokens of each color first, then moves to the center square for their final question, selected by the other team.
6. Whichever team can answer that center square question first, wins.
